## MEMBERSHIP BENEFITS

### I. Community & Connections \*

Membership provides the ability to search and **connect with a diverse community of individuals** with a demonstrated interest in social change. Members come from all walks of life, sectors, industries and age groups, including: youth activists, grassroots social entrepreneurs, authors, CEOs, investors, policy makers, tech entrepreneurs, scientists, civil society leaders and documentary filmmakers. The Conduit Team also works to actively **connect members with similar or complementary interests** and passions; where they see the potential for collaboration; or an exchange of ideas.

*\* Members may bring up to 3 guests to the space.*

### II. The Building

Access to an **8-floor building** that has been designed to nurture collaboration, creativity and innovation. The building contains spaces for working, dining, taking meetings, hosting events, or film screenings. It also has plenty of space for just relaxing over a good meal or drink with friends in either the 4th Floor Restaurant, Rooftop Bar, and Terrace or Cellar Bar.

### III. The Programme

A regular **programme of over 100 events** a year, the aim of which is to:

- Catalyse new ideas, initiatives and projects
- Support and scale potential breakthrough ideas
- Showcase solutions

**Workshops, talks, debates and experiences** around The Conduit's 7 core themes:

1. Climate Change & Sustainability
2. Education & Skills
3. Employment & Economic Opportunity
4. Health & Nutrition
5. Gender Empowerment
6. Arts & Culture
7. Justice & Equality

Access to **The Conduit Impact Platform (Conduit Connect)** and **Fund**, set up to invest in and accelerate the most promising ideas, initiatives and companies identified by members.

A regular **music and art programme** with DJs or live music twice a week and rotating art exhibitions.

### IV. Food & Drink
